

# YOGURT MAKER

*For tasty, healthy yogurt*

**ROMMELSBACHER**

Just make the probably most popular "snack for in between" yourself! Home-made natural yogurt without unknown and unwanted ingredients is a natural and well digestible aliment whose regular consumption promotes health. By means of the Rommelsbacher yogurt maker, you can prepare up to 1200 g natural yogurt which can be kept for at least 1 week in the refrigerator. Home-made yogurt allows for many sweet and hearty variations and you can decide individually on the ingredients. Furthermore, a supply of natural yogurt as basis for further use (for cakes, sauces, dessert, etc.), should not be missing in a healthy kitchen. The appliance is simple to operate, easy to clean and the storage is space-saving due to the chic square design.
