230 VOLT PLUG & COOK

Catalytic filter, doesn't have to be connected to an extracted air system (ventless). Can be used immediately anywhere.

POWER EFFICIENCY

The insulation means that very little heat is lost through radiation. Ready for use after a 10-minute heating-up phase.

EASY CLEANING

Easy to clean thanks to the hygienic baking chamber and easy-to-clean filter system. No further maintenance needed.

TOUCH SCREEN

Easy to use: controlling the oven using the 7" colour touchscreen is incredibly easy.

IMPINGEMENT TECHNOLOGY

Perfect baking and roasting results every time. Produce a tasty snack in record time.

DESIGN COMFORT

Robust and durable design features new ergonomic door handle and requires little space. Now also available in black.
