WHEN TRADITION EMBRACES INNOVATION

*" DETAILS MAKE PERFECTION,
AND PERFECTION IS NOT A DETAIL. "*

Leonardo Da Vinci

INNOVATION AND PERFORMANCE

Maestro designers developed a strong know-how in building **premium cooking** suites and use the most **reliable** components and construction techniques, unparalleled in the market.

To achieve the best cooking results, Maestro offers **a large range of high-end quality equipment**, ensuring **optimum performance** in your kitchen.

CUSTOMISATION AND UNIQUENESS

We are creating Maestro according to your aspirations and personality.

Each Maestro is a **unique concentration of tradition and high technology** to serve your creativity.

As a real partner, Maestro remains **flexible** to include whatever equipment you may require, in the enamel color and design that best fit into your kitchen.

MAESTRO CLASSIC SOLUTION

When Maestro Premium suites expertise
extends to the whole kitchen

INNOVATION,
PERFORMANCE
AND
UNIQUENESS

As the Maestro cooking range, the Maestro Classic Solution embraces **innovation** and **high-end quality equipment** to serve **performance** and **excellence**, required by the most demanding chefs.

As each chef's aspiration and philosophy are unique, each Maestro Classic Solution is **customized**. We make your dreams our specifications.

AESTHETICS
AND
ERGONOMICS

In an attempt to create **visual consistency** in your kitchen, Maestro focuses on developing the Maestro Classic Solution : Maestro cooking suite and kitchen environment with the same appearance, ensuring **aesthetics** and **ergonomics** for the best **enjoyable kitchen experience**.
