

CHURCHILL<sup>®</sup>

Bamboo

# Bamboo

Taking inspiration from nature, **Bamboo** has a sculptural grace which balances design with performance. The raised embossed design is influenced by the natural flowing form of bamboo. The white range is available in a comprehensive collection of items. Two feature colours, **Dusk** and **Mist**, inspired by shades of the landscape make exciting complementary additions to the range. The colour subtly enhances the linear embossment.

## FEATURES & BENEFITS

### Super Vitrified Body

Super vitrified is a vitreous body that does not absorb moisture, it is more hygienic and has better heat retention properties. Its high resistance to thermal shock helps reduce breakages and provides superior strength.

### Superior Glaze Finish

Protected by our ecoglaze, a high performance glaze that enhances product performance, prolonging the life of the product, improving stain and metal mark resistance and durability.

### Hand Decorated

Coloured Bamboo items are decorated individually by hand, which subtly enhances the linear embossment.

### Footed Plates

Key plate sizes have a foot which is an essential requirement for banqueting. Elevated from the table, easy to carry and transport, allowing air to flow when stacked.

### Lighter

Refined thinner profiles dramatically reduce the weight of each item. Easy to handle and excellent stackability reduces storage space back of house.
